

We continue to hold the **Environmental certificate Travelife.**

We bought 6 mountain bikes as we encourage our guests, other tourist and visitors to use **more sustainable modes of transport.** In 2020 we offered guests who stayed with us for minimum of 2 nights free use of our bikes for 4 hours. The use of the bikes was **at least 40% higher** than in 2019. We also bought e-bikes, so people can go long distances without creating carbon emissions.

In 2023, we have replaced standard cleaners with **ecological ones.** We return packaging to the provider. This ensures a **smaller amount of waste.**

**IN 2023, WE ADDED  
LOCAL APPLE JUICE, EGGS AND PICKLES  
WE STILL OFFER UP TO**

**60%**

**OF LOCAL PRODUCTS FOR BREAKFAST.**

We purchase food and cleaners in **returnable packaging.**

In 2024, we started donating paper, monthly, to a local animal shelter.

Bed linen and other laundry is still washed **at a local company.**

We have replaced plastic laundry bags with **cloth bags made from scrap sheets.**

We have acquired a label Cyclist and hiker friendly accommodation.
